Our Mission

UPF endeavours to impact the nations of the world through prayer initiatives, resources, information and research so that strongholds that keep the nations in bondage can be brought to destruction and the Gospel of the Lord Jesus Christ can transform all unreached parts of the world.

Current Projects and Initiatives

First AGM for UPFSA

On Saturday, 18 October 2014, UPF held its first Annual General Meeting (AGM) since being registered as an NPO in December 2013. The meeting gave us the opportunity to look back at the previous financial year and celebrate the goodness and faithfulness of God as He empowered us to successfully complete several international projects and initiatives.

As the ministry grows in its scope and influence, we are excited to seek the Lord for His plans, acknowledging that He dreams much bigger dreams and plans greater successes than we could ever fathom. The year has shown that so many of our team members have invested many hours of constant work and faithful prayer to advance the different kingdom purposes through the work of UPF.

UPF is trusting the Lord to grow in its financial capacity to initiate strategic enterprises that would impact nations and mobilise many believers for future kingdom thrusts. We are surprised by how God is nudging us to enlarge our perspective and to see His

intentions for us without the human and worldly limitations by which we get bogged down.

Prayer journeys for 2015

Prayer mobilisation of local believers must be our priority for the coming year. Therefore we will not start prayer journeys to new nations in this season. UPF is planning to facilitate follow-up prayer journeys to the following nations in 2015:

- The Netherlands;
- Germany;
- Mauritius; and
- The DRC and lakes district (Central Africa).

Local prayer journeys in 2015

UPF will be focusing on prayer teams to several towns in South Africa in order to provide believers with the opportunity to be exposed to strategic prayer journeys while ministering to and strengthening local intercessors and believers in their kingdom work to impact their own communities. UPF is open to receive invitations from believers in cities and towns throughout the nation.

We are already planning a second visit to Lydenburg and a first visit to Orania for this purpose.

Report back: Prayer journey to France

LORD, LOOK
DOWN FROM
HEAVEN AND
REGARD THIS
VINE!

Five team members (two men and three women) had the wonderful privilege of visiting France from 12 to 29 May 2014.

The team, and UPF, celebrated UPF's 14th year of involvement in France.

How graciously God used the team to encourage and strengthen the faithful brothers and sisters who call on the name of the Lord Jesus Christ in a land that lacks a revelation of the God of heaven and earth while running after human secularism in aimless endeavours that darken their souls.

For the first time a UPF team had the opportunity to pray in the spectacular Dordogne valley in south eastern France. Among others, the team prayed into ancient idolatrous roots that still produce poisonous fruit in modern times.

One thing is clear: God is working, the French are getting more desperate by the day and God is ready to save them and make His love known to them. There are glimmers of hope, signs of new life and an expectancy in the hearts of believers that their breakthrough is not far off.

Oh, how our hearts were knitted to the special people who received us with such warmth and hospitality. How we enjoyed the good food, the breathtaking scenery and the intense Holy Spirit moments with special believers!

Our team members testified that the journey was life changing, helped build their faith in an amazing God and impacted their worldview.

It truly was tiring and yet so inspirational and exhilarating to participate in moving a nation closer to God and His purposes.

Report back: Re-opening the wells of salvation in The Netherlands

Helen, Nella, Joke, Crystal, Louise and Alta (front).

The Netherlands was graced with a visit from six South African women from Dutch descent between 7 and 17 September 2014. They visited Dokkum and Drachten in Friesland, Amersfoort, Utrecht, Amsterdam and Maastricht.

The team prayed for the re-opening of the wells of salvation in The Netherlands.

Team leader, Crystal Strydom, says, "We journeyed by train and visited 24/7 prayer rooms, Dutch intercessors, and participated in a [50-hour](#) concert of prayer. We also joined a YWAM team in Amsterdam to pray for the capitals of Europe ([OCE](#)) and the European Economic Summit.

"The Dutch intercessors are steadfast in seeking God for salvation and revival in their nation. We met friendly, caring, principled, practical and sociable Dutch believers. It is in our heart to

return there for more intensified, strategic prayer in various spiritually difficult areas."

Some remarks from the team

"Don't expect a holiday – you must be prepared to follow a tough programme and to work hard."

"There are people who don't want anything to do with the Lord; there are those who are still trapped by religion and then there are those who are on a real journey with God. It seems the dividing lines are clearer here than in South Africa."

"I learnt that my inputs are important to and valued by my fellow team members."

"The Dutch are really tolerant of others' opinions; this is advantageous for the Gospel."

"THE LORD IS BUSY IN THE NETHERLANDS!"

Report back: Nations gather at Lake Tanganyika

Representatives from 11 nations gathered for 9 days of intercession and prayer for the nations surrounding Lake Tanganyika in Bujumbura, capital of Burundi, from 7 to 17 October 2014.

A group of 22 people – the prayer team, local missionaries, representatives from a local trauma counselling ministry and church members – braved the heat and a diet of rice, beans and bananas to join in prayer and honest repentance.

This was the South African team's second visit.

The purpose was to prepare the way for the Gospel and the Kingdom of God, and to ask the Lord for revival and to break the chains that keep people in spiritual darkness.

We sensed the earnest desire of the Lord to intervene in the spiritual situation and the lives of the peoples around the lake. People are desperate to see the Lord change their destiny from hardship, wars, conflict and turmoil to a Godly kingdom where He reigns.

The DRC and Tanzania are next on the schedule.

**Report back:
Mauritius mobilised**

During September this year, our team (Ilonka, Susan and Fidele) undertook a 12-day prayer journey to Mauritius.

The mandate was to prepare the way for God to gather His children again, by proclaiming God’s Word over and into the spiritual atmosphere. We were received with unreserved favour and love everywhere we went; and were greatly blessed by the vision (and active pursuit) of the local believers of one body, undertaking interdenominational activities.

We were reminded that we serve a living God, interested in relationship with us. In a country bonded in idolatry and religion that only brings death and destruction, we were challenged to meet people with God’s words of love and good news, to move beyond our own opinion (and comfort) to see as God sees.

We met many young people, tired of the old ways of doing things, thirsty and on fire for God, ready to change not only Mauritius but the world!

There is something truly rewarding in the experience of us bringing our five fish and two loaves (and often even less than that), giving it to God and seeing how He feeds the five thousand ... with baskets to spare.

What a privilege and reward!

Scheduled meetings: Pretoria Prayer Force

PPF was started in 2011 to pray persistently and effectively for the city of Pretoria / Tshwane. PPF invites believers from all backgrounds to make a year-long commitment to pray for the city.

In 2015 PPF will have a two-pronged approach. We will have a ‘Model team’ – intercessors who will seek God and study Scripture to develop a prayer strategy – and a ‘Move team’. The latter will be going out into the city to pray at different locations as the Holy Spirit highlights spiritual hotspots.

If you would like to become part of the PPF team for 2015, email us at: ptapray@mweb.co.za and request a PPF 2015 registration form (no costs involved).
